Automotive Protection Equipment and Accessories

Having a versatile Honda CRV you can really appreciate the lifestyle opportunities that this vehicle offers. A night on the town, a trip to the gym, cruising the open road or engaging in a little recreational rough stuff, wherever your CRV takes you, ECB has the right accessory to add style and sports appeal combined with safety and protection.

When it comes to protecting your CRV it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

Whether it's the sporty 63mm and 76mm Nudge Bars or the strength and reliability of a Midi Tube Bar, you're sure to find a frontal protection bar that is styled to perfectly complement the vehicles' lines and tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian Design Rules, each one is also covered by ECB's Exclusive Lifetime Warranty for complete peace of mind.

When style, strength and quality are what you are looking for Insist on genuine ECB products.

The ECB Midi Tube Bar is a modern combination of grille and bumper protection in a unique yet practical design. The use of high tensile 76mm and 63mm alloys enhances the CRV's sports styling and provides optimum protection from animals strikes, and those around town nudges and bumps. An extra centre tube provides additional protection to the under side of the vehicle, while a specifically designed steel mounting system ensures a neat and sturdy fitment. Driving light mounting provisions are standard inclusions and the ECB Midi Tube Bar is Air Bag Compatible and ADR Compliant. All ECB products are backed by the ECB Lifetime Warranty and are available in Mirror Polished, or ECB's range of durable and attractive powdercoat finishes.

\* Also Available for 01/02-09/04 Models

This very stylish 76mm Series 2 Nudge Bar is great for those around town nudges and bumps which can be costly to the bumper and also the delicate cooling equipment just inside the bumper. A large opening and spotlight mounting tabs make an ideal location for extra lighting. Utilising solid steel mounts and available in Mirror Polished or Powdercoated Alloy, this protection system is very functional while being stylish and attractive. The solid construction of the structural grade alloy materials used are much stronger and more durable than thinner sectioned stainless steel options. All ECB Products are Air Bag Compatible, ADR Compliant and are backed by the ECB Lifetime Warranty.
