"LEGENDARY"

Automotive Protection Equipment and Accessories
 Wherever your Commodore takes you, whether it be the city lights or cruising the open road, ECB has the right accessory to add style and sports appeal combined with safety and protection.

When it comes to protecting your Commodore it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

From the sporty 76mm Nudge Bars through to the strength and reliability of the full bumper wrap around ECB Big Tube Bar, you're sure to find a frontal protection bar that is styled to perfectly complement the vehicles' lines and tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only does every ECB protection bar meet Australian design rules each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

When style, strength and quality are what you are looking for, Insist on genuine ECB products,

Built to Perform - Guaranteed to Last!

*When you compare **ECB** there really is a difference*

TYPE 8 – Silver Hammertone

The tubular construction of the Type 8 Bar contours perfectly to suit the Commodores' aerodynamic styling. Manufactured using high tensile alloy, the Type 8 Bar provides optimum frontal protection in a tubular design of protection bar. The Type 8 Bar easily accommodates driving lights and is available in a choice of finishes.

MIDI TUBE BAR

The Midi Tube Bar is a modern combination of grille and full bumper protection. Manufactured from high tensile alloys for optimum strength, the Midi Tube Bar will easily accommodate driving lights. A choice of finishes is available

63MM SERIES 2 NUDGE BAR

These modern and functional Series 2 Nudge Bars provide great sports styling and have the height advantage to offer bumper and grille protection. Formed from high tensile alloy tubing, the 63mm Series 2 Nudge Bars come complete with spotlight mounting provisions together with a choice of finishes.

76MM NUDGE BAR

The 76mm Nudge Bar provides protection from those around town bumps that are often caused by other motorists. Standard with spotlight mounting brackets, this product is a practical addition to your vehicle and is available in a variety of finishes.
