## "LEGENDARY"

Automotive Protection Equipment and Accessories

Whether you're battling the bitumen or the bush ECB has a range of quality protection products for your Grand Cherokee that are sure to suit your needs.

When it comes to protecting your Grand Cherokee, it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of aluminium, ensuring maximum performance, strength and protection.

From the sporty 76mm Nudge Bar through to the unmatched strength and reliability of an Big Tube Bar, ECB has a range of frontal protection bars and accessories that are styled to perfectly complement the Grand Cherokee's lines, and like the Grand Cherokee, they're tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian Design Rules - each one is also covered by ECB's exclusive Lifetime Warranty for complete peace of mind.

No matter what your requirements are, you can be assured that the distinctive individual style and true performance of ECB products are the perfect choice for any discerning Grand Cherokee owner.

When style, strength and quality are what you are looking for, insist on genuine ECB products.

Black Ripple

### BIG TUBE BAR

To safeguard your family and your luxury vehicle, invest in superior frontal protection equipment, the ECB Big Tube Bar designed exclusively for the Jeep Grand Cherokee. Manufactured from high tensile, structural grade alloys and featuring fully gusseted 63mm headlight tubes and a tapered one-piece bumper which incorporates a full width, braced Lower Protection Skirt the Big Tube Bar provides superior frontal protection. Significant underbody protection is provided by an underbody protection plate, located between the Big Tube Bar and the sump guard. The Grand Cherokee Big Tube Bar replaces the factory bumper providing an extremely strong, tight and good looking fit while also allowing for the parking sensors to be fully integrated into the Big Tube Bar. Standard features include Indicator/Park Light Combinations, Air Directional Cooling Vents, Driving Light mounting points, ECB driving lights and an Aerial Bracket. All ECB products are air bag compliant, ADR compliant and are covered by the exclusive ECB Lifetime Guarantee.

### 63mm SERIES 2 NUDGE BAR

The 63mm Series 2 Nudge Bar offers great sports styling while providing bumper and grille protection, this Nudge Bar also features a lower centre tube for added radiator protection. Formed from high tensile 63mm alloy tubing, ECB Nudge Bars provide superior strength without the added weight of steel-based products. Each ECB Nudge Bar comes complete with spotlight mounting provisions, and is designed to suit each individual model.

### 76mm NUDGE BAR

Protect yourself from costly damage with an effective, yet stylish 76mm Nudge Bar. This specially designed Nudge Bar is fully compatible with the Grand Cherokee parking sensors and not only provides exceptional bumper protection, but an extra, low mounted tube also provides excellent protection for the delicate cooling equipment. This industry best 76mm x 4.7mm Nudge Bar is formed from high tensile alloy tubing and will never corrode or rust. ECB Nudge Bars are constructed using only structural grade alloys, ensuring incredible strength while remaining extremely light. This makes ECB Nudge Bars far stronger than lower quality alloy bars without the excessive weight of steel bars. Spotlight mounts are standard inclusions along with the ECB Lifetime Warranty.
