

WORLD'S BEST ALLOY BULLBARS

The versatile Holden Colorado is both a hardworking Ute and a family 4WD. A night on the town, a trip to the gym, cruising the open road or engaging in a little recreational rough stuff, wherever your Colorado takes you, ECB has the right accessory to add style while helping protect your car and your family.

When it comes to protecting your Holden Colorado it's worth remembering that only the best will do. Genuine ECB products are manufactured from hi-tensile, structural grades of aluminium ensuring the best performance, strength and protection.

From the sporty 76mm Nudge Bar through to the unmatched strength and reliability of an ECB Arc™ Winch Bar, ECB has a range of frontal protection bars and accessories that are styled to perfectly complement the Holden Colorado's lines, and like the Holden Colorado, they're tough enough to withstand almost anything suburbia or nature can dish out.

Not only do ECB protection bars meet Australian Design Rules - each one is also covered by ECB's exclusive Lifetime Warranty for complete peace of mind.

East Coast Bullbars are the Strongest Built, Best Engineered and Australian Made, all components that are required to be the World's Best Alloy Bullbars.

AUSTRALIAN MADE

Holden Colorado

(06/2012 on)

- Bumper Cut Design
- Low Mount Winch Compatibility
- 6mm One Piece Channel
- 76mm Centre & 63mm Shoulder Tubes
- LED Indicator/Park Lights
- ECB Bumper Lights

ECB Arc™ Winch Bar - Black Ripple Powdercoated Alloy Finish Shown

For the best in frontal protection for the Holden Colorado, you can't go past the strength, quality and distinctive style of the ECB Arc™ Winch Bar. Manufactured from hi-tensile, structural grade alloy, the one piece channel features 6mm thick construction, which is further reinforced with a full width, braced lower protection skirt. For serious off road enthusiasts, this ECB Arc™ Winch Bar will accommodate up to a 9,500lb Warn & Mean Mother low mount winch to help you get anywhere. Standard features include a 76mm x 4.75mm centre tube, fully gusseted 63mm x 4.2mm shoulder tubes, ECB bumper lights, LED indicator/park light combinations, air directional cooling vents, spotlight mounting provisions and an aerial tab. Also included with the ECB Arc™ Winch Bar for the Holden Colorado is the Quick-Click Wiring System. This quick, reliable process has revolutionised the way indicator/park and fog lights are installed in bullbars. The Quick-Click has your LED indicator/park and fog light wiring all ready-to-go in a harness, all you need to do is plug it in which reduces fitting time by around 15 minutes.

- Bumper Cut Design
- 6mm One Piece Channel
- 76mm Centre & 63mm Shoulder Tubes
- Fully Welded Gussets
- LED Indicator/Park Lights
- Optional ECB Bumper Lights

ECB Arc™ Bar - Mirror Polished Alloy Finish Shown

Manufactured from hi-tensile, structural grade alloy, this bar offers the best protection for the Colorado utilising the ECB Arc™ Bar bumper cut design. Boasting specifically engineered 6mm thick plasma cut steel mounting systems these bars are assured for the best fit and strongest design. The one piece channel features 6mm thick hi-tensile alloy construction, which is further reinforced with a full width, braced lower protection skirt to provide sufficient strength that will give you the level of safety and design you can count on. Standard features include optional ECB bumper lights, LED indicator/park light combinations, air directional cooling vents, spotlight mounting provisions and an aerial tab. Also included with the ECB Arc™ Bar for the Holden Colorado is the Quick-Click Wiring System. The Quick-Click has your LED indicator/park and fog light wiring all ready-to-go in a harness, all you need to do is plug it in which reduces fitting time by around 15 minutes.

AUSTRALIAN MADE

- Bumper & Radiator Protection
- Grille Protection
- Headlight Protection
- Aerial Mounting Tab
- 76mm x 4.75mm Centre Tube
- 44mm x 3.25mm Shoulder Tubes

Type 8 Bar - Mirror Polished Alloy Finish Shown

The tubular construction of the Type 8 bar contours perfectly to suit the design of the latest model Holden Colorado. Manufactured from hi-tensile alloy with a tough 76mm centre tube, this fully welded, strong Type 8 bar provides optimum frontal protection for the bumper, grille and headlights and fits sturdily with a plasma cut steel mounting system. Driving light mounting provisions are also standard inclusions. Choose from a mirror polished alloy finish or your choice from ECB's range of premium, low maintenance powdercoated alloy finishes, where bugs wash straight off.

- Bumper & Radiator Protection
- Grille Protection
- Spotlight Mounting Tabs
- 76mm Hi-Tensile Alloy Tubing
- 4.75mm Thick Extruded Tube
- Mandrel Bending Tube Process

76mm Series 2 Nudge Bar - Mirror Polished Alloy Finish Shown

Great sports styling alongside premium bumper and grille protection are just a few of the features of this tough and practical 76mm Series 2 Nudge Bar. Formed from hi-tensile alloy tubing with a lower centre tube for maximum radiator protection, this heavy duty nudge bar utilises 76mm x 4.75mm thick tube to create the best protection compared to the strength of poor quality, thinner sectioned, imported stainless steel products and is up to 50% lighter in weight. Spotlight mounting provisions together with a choice of finishes are all standard inclusions.

- Bumper & Radiator Protection
- Spotlight Mounting Tabs
- 76mm Hi-Tensile Alloy Tubing
- 4.75mm Thick Extruded Tube
- Mandrel Bending Tube Process

76mm Nudge Bar - Mirror Polished Alloy Finish Shown

Impact protection is just one of the benefits of this eye-catching 76mm Nudge Bar. Designed and manufactured in Australia to suit our harsh Australian conditions, this nudge bar is formed from 4.75mm thick hi-tensile alloy tubing and will never corrode or rust. This sporty and sleek 76mm Nudge Bar provides premium strength with the inclusion of an extra tube mounted at the bottom to help reinforce and provide increased protection without the extra weight of steel nudge bars. Every East Coast Bullbar is ADR Compliant, Air Bag Compatible and is covered by ECB's exclusive Lifetime Warranty.
