

HONDA CRV

"LEGENDARY"

Automotive Protection Equipment and Accessories

Having a versatile CRV you can really appreciate the life style opportunities that this vehicle presents. A night on the town, a trip to the gym, cruising the open road or engaging in a little recreational rough stuff, wherever your CRV takes you, ECB has the right accessory to add style and sports appeal combined with safety and protection.

When it comes to protecting your CRV it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

Whether it's the sporty 63mm Nudge Bar or the strength and reliability of an ECB Type 8 Bar, you're sure to find a frontal protection bar that is styled to perfectly complement the vehicles' lines and tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian design rules, each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

What ever your requirements are, you can rely on ECB products for a distinctive individual style, true performance and great value for money.

When style, strength and quality are what you are looking for, insist on genuine ECB products.

MIDI TUBE BAR (01/02 - 9/04)

The Midi Tube Bar is a modern combination of grille and bumper protection in a unique yet practical design. The use of high tensile 76mm and 63mm alloys enhances the CRV's sports styling and provides optimum product performance while a specifically designed steel mounting system ensures a neat and sturdy fitment. Driving light mounting provisions are standard inclusions. For a superior low maintenance finish where bugs wash off easily, why not choose from ECB's range of superior, low maintenance powder coated finishes? *A durable cost saving alternative to polishing.*

MIDI TUBE BAR (10/04 ON)

TYPE 8 BAR (97- 12/01)

The tubular construction of the Type 8 Bar contours perfectly to suit the CRV's aerodynamic styling. Manufactured from high tensile alloys, the Type 8 Bar will accommodate driving lights and provides optimum frontal protection for the bumper, grille and headlights. For a superior low maintenance finish where bugs wash off easily, why not choose from ECB's range of superior, low maintenance powder coated finishes? *A durable cost saving alternative to polishing.*

Great sports styling, bumper and grille protection are just a few of the features of these modern and functional 76mm Series 2 Nudge Bars. Formed from high tensile alloy tubing with a lower centre tube for maximum radiator protection, these Nudge Bars have equal or better strength than poor quality, thinner sectioned, imported stainless steel products and are up to 50% lighter in weight. Spotlight mounting provisions together with a choice of finishes are standard inclusions.

Impact protection is just one of the benefits of these eye-catching Nudge Bars. Designed and manufactured in Australia to suit our harsh Australian conditions, these 63mm Nudge Bars are formed from high tensile alloy tubing and will never corrode or rust. They also have equal or better strength than poor quality, thinner sectioned, imported stainless steel products and are up to 50% lighter in weight. Each ECB Nudge Bar is designed to suit each individual model; therefore you can be assured of an aesthetically pleasing, functional and reliable design. These 63mm Nudge Bars come complete with spotlight mounting provisions, together with a choice of polished or powder coated alloy finishes.
