

"LEGENDARY"

Automotive Protection Equipment and Accessories

Having a versatile Grand Cherokee you can really appreciate the life style opportunities that this vehicle presents. A night on the town, a trip to the gym, cruising the open road or engaging in a little recreational rough stuff, wherever your Grand Cherokee takes you, ECB has the right accessory to add style and sports appeal combined with safety and protection.

When it comes to protecting your Grand Cherokee it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

Whether it's the sporty 76mm Nudge Bar or the strength and reliability of an ECB Big Tube Bar, you're sure to find a frontal protection bar that is styled to perfectly complement the vehicles' lines and tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian design rules, each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

What ever your requirements are, you can rely on ECB products for a distinctive individual style, true performance and great value for money.

When style, strength and quality are what you are looking for, insist on genuine ECB products.

Built to Perform - Guaranteed to Last!

JEEP GRAND CHEROKEE

BIG TUBE BAR (07/05 ON)

When you're looking for the ultimate in vehicle protection, you can depend on the rugged, no compromise reliability of the ECB Big Tube Bar. This new dimensional BTB wraps around in front of the existing front bumper bar, ensuring a neat fit and appealing design. This BTB is manufactured from high tensile, structural grade alloys and features fully gusseted 63mm headlight tubes. The tapered one - piece bumper incorporates a full width, braced Lower Protection Skirt, while the specifically designed steel mounting system ensures a neat and sturdy fitment. ECB Bumper Light fitment, Indicator/Park Light Combinations, Air Directional Cooling Vents, Driving Light mounting points and an Aerial Bracket are all standard features. To complete a great looking performance product, why not choose from ECB's range of superior, low maintenance powder coated finishes? *A durable low cost alternative to polishing.*

BIG TUBE BAR (8/99 - 06/05)

Silver Ripple Powder Coated Alloy

BIG TUBE BAR (Pre 7/99)

gusseted headlight tubes. The tapered one - piece bumper incorporates a full width, braced Lower Protection Skirt while the specifically designed steel mounting system ensures a neat and sturdy fitment. Indicator/Park Light Combinations, Air Directional Cooling Vents, Driving Light mounting points and an Aerial Bracket are all standard features. To complete a great looking performance product, why not choose from ECB's range of superior, low maintenance powder coated finishes? *A durable cost saving alternative to polishing.*

XTREME BAR (07/05 ON)

The all-new Xtreme Bar offers the ultimate in life style opportunities giving you the freedom for all kinds of adventures. Whilst retaining the features and benefits that ECB is renowned for, this new dimension of style and design provides a high level of vehicle protection in a modern, distinctive Protection Bar. The Xtreme Bar comes complete with ECB Bumper Lights and wraps around in front of the existing front bumper bar ensuring a neat fit and appealing design. Choose from a range of finishes.

Extra lower centre tube provides additional protection to the underside of the vehicle

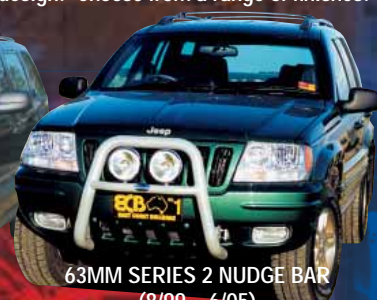

63MM SERIES 2 NUDGE BAR (07/05 ON)

63MM SERIES 2 NUDGE BAR (07/05 ON)

Silver Ripple Powder Coated Alloy

63MM SERIES 2 NUDGE BAR (8/99 - 6/05)

Silver Ripple Powder Coated Alloy

Great sports styling, bumper and grille protection are just a few of the features of these modern and functional 63mm Series 2 Nudge Bars. Formed from high tensile alloy tubing, these Nudge Bars have equal or better strength than poor quality, thinner sectioned, imported stainless steel products and are up to 50% lighter in weight. Spotlight mounting provisions together with a choice of finishes are standard inclusions.

76MM NUDGE BAR (07/05 ON)

Impact protection is just one of the benefits of this eye-catching Nudge Bar. Designed and manufactured in Australia to suit our harsh Australian conditions, this 76mm x 4.7mm Nudge Bar is formed from high tensile alloy tubing and will never corrode or rust. It also has equal or better strength than poor quality, thinner sectioned, imported stainless steel products and is up to 50% lighter in weight. Each ECB Nudge Bar is designed to suit each individual model; therefore you can be assured of an aesthetically pleasing, functional and reliable design. The 76mm Nudge Bar comes complete with spotlight mounting provisions, together with a choice of polished or powder coated alloy finishes.
