

JEEP CHEROKEE

"LEGENDARY"

Automotive Protection Equipment and Accessories

Whether you're battling the bitumen or the bush ECB has a range of quality protection products for your Cherokee that are sure to suit your needs. Wherever you're bold enough to go, you need quality protection equipment that is built tough enough to bring you safely back home. That's why when it comes to protecting your Cherokee and your family, it's worth remembering that quality really counts.

From the sporty 76mm Nudge Bar through to the unmatched strength and reliability of an ECB Big Tube Bar, ECB has a range of frontal protection bars and accessories that are styled to perfectly complement the Cherokee's lines and like the Cherokee, they're tough enough to withstand almost anything the urban jungle or nature can dish out.

Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection. Not only does every ECB protection bar meet Australian Design Rules - each one is also covered by ECB's exclusive Lifetime Warranty for complete peace of mind.

No matter what your requirements are, you can rely on ECB products for a distinctive individual style, true performance and great value for money.

When style, strength and quality are what you are looking for, Insist on genuine ECB products.

Built to Perform, Guaranteed to Last

BIG TUBE BAR

To protect your vehicle to the utmost, install an ECB Big Tube Bar designed specifically for the Jeep Cherokee. Manufactured from high tensile, structural grade alloys and featuring fully gusseted 63mm headlight tubes, the Big Tube Bar provides full frontal protection. The tapered one-piece bumper incorporates a full width, braced Lower Protection Skirt which also provides exemplary protection for the delicate cooling equipment. A steel mounting system allows the Cherokee Big Tube Bar to be fitted directly over the bumper, no cutting of the bumper is required. This mounting system ensures incredible strength whilst providing a tight, good looking fit. Standard features include Indicator/Park Light Combinations, Air Directional Cooling Vents, Driving Light mounting points and an Aerial Bracket. All ECB products are air bag compliant, ADR compliant and are covered by the exclusive ECB Lifetime Guarantee, for total peace of mind.

76mm SERIES 2 NUDGE BAR

The 76mm Series 2 Nudge Bar is a dynamic beefed-up version of our 63mm Series 2 Nudge Bar. This Nudge Bar formed from 76mm high tensile alloy tubing with a 63mm centre spotlight tube, is bound to raise a few eyebrows. All ECB products are air bag compliant, ADR compliant and are covered by the exclusive ECB Lifetime Guarantee, for total peace of mind.

76mm NUDGE BAR

Protect yourself from costly bumper damage with an effective, yet stylish, 76mm Nudge Bar. This industry best 76mm x 4.7mm Nudge Bar is formed from high tensile alloy tubing and will never corrode or rust. ECB Nudge Bars are constructed using only structural grade alloys, ensuring incredible strength while remaining extremely light. ECB Nudge Bars are far stronger than lower quality alloy bars without the excessive weight of steel bars. For the KK Cherokee, ECB also integrates a lower protection tube, providing excellent protection for the vulnerable radiator. All ECB products are air bag compliant, ADR compliant and are covered by the exclusive ECB Lifetime Guarantee, for total peace of mind. The 76mm Nudge Bar comes complete with spotlight mounting provisions, together with a choice of polished or powdercoated alloy finishes.
