

"LEGENDARY"

Automotive Protection Equipment and Accessories

Whether you're negotiating the hustle and bustle of the city or cruising the open road, ECB has the right accessory to add safety and protection combined with style and sports appeal.

When it comes to protecting your Kia it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

From the sporty 76mm Nudge Bars through to the strength and reliability of an ECB Type 8 Bar, you're sure to find a frontal protection bar that is styled to perfectly complement the vehicles' lines and tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian design rules, each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

Whatever your requirements are, you can rely on ECB products for a distinctive individual style, true performance and great value for money.

When style, strength and quality are what you are looking for, Insist on genuine ECB products.

Built to Perform - Guaranteed to Last!

KIA PREGIO, CARNIVAL & GRAND CARNIVAL

GRAND CARNIVAL MIDI TUBE 01/06 ON
& CARNIVAL 09/06 ON
Silver Hammertone Powder Coated Alloy

CARNIVAL MIDI TUBE BAR 10/03-08/06
Silver Hammertone Powder Coated Alloy

The Midi Tube Bar is a modern combination of grille and bumper protection in a unique yet practical design. The use of high tensile 76mm and 63mm alloys enhances the Kia's sports styling and provides optimum product performance while a specifically designed steel mounting system ensures a neat and sturdy fitment. Driving light mounting provisions are standard inclusions. For a superior low maintenance finish where bugs wash off easily, why not choose from ECB's range of superior, low maintenance powder coated finishes? *A durable cost saving alternative to polishing.*

The tubular construction of the Type 8 Bar contours perfectly to suit the Kia's styling. Manufactured from high tensile alloys, the ECB Type 8 Bar will accommodate driving lights and provides optimum frontal protection for the bumper, grille and headlights. For a superior low maintenance finish where bugs wash off easily, choose from ECB's range of superior, low maintenance powder coated finishes. A durable cost saving alternative to polishing.

(7/04 On Models)

Impact protection is just one of the benefits of these eye-catching Nudge Bars. Designed and manufactured in Australia to suit our harsh Australian conditions, these 76mm x 4.7mm Nudge Bars are formed from high tensile alloy tubing and will never corrode or rust. Each ECB Nudge Bar is designed to suit each individual model; therefore you can be assured of an aesthetically pleasing, functional and reliable design. The 76mm Nudge Bar comes complete with spotlight mounting provisions, together with a choice of polished or powder coated alloy finishes.
