

KIA SORRENTO SPORTAGE

"LEGENDARY"

Automotive Protection Equipment and Accessories

Having a versatile Kia 4WD, you can really appreciate the life style opportunities that these vehicles present. A night on the town, a trip to the gym, cruising the open road or engaging in a little recreational rough stuff, wherever your Kia takes you, ECB has the right accessory to add style and sports appeal combined with safety and protection.

When it comes to protecting your Kia it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

Whether it's the sporty 76mm Nudge Bar or the strength and reliability of an ECB Big Tube Bar, you're sure to find a frontal protection bar that is styled to perfectly complement the vehicles' lines and tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian design rules, each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

When style, strength and quality are what you are looking for insist on genuine ECB products.

Built to perform...guaranteed to last!

The tubular construction of the Type 8 Bar contours perfectly to suit the vehicle's aerodynamic styling. Manufactured from high tensile alloys, the Type 8 Bar incorporates a steel mounting system to ensure a neat and sturdy fitment and optimum frontal protection for the bumper, grille and headlights. Driving light mounting provisions are standard inclusions. For a superior low maintenance finish where bugs wash off easily, why not choose from ECB's range of superior, low maintenance powder coated finishes? *A durable cost saving alternative to polishing.*

Impact protection is just one of the benefits of these eye-catching Nudge Bars. Designed and manufactured in Australia to suit our harsh Australian conditions, these 76mm x 4.7mm Nudge Bars are formed from high tensile alloy tubing and will never corrode or rust. They also have equal or better strength than poor quality, thinner section, imported stainless steel products and are up to 50% lighter in weight. Each ECB Nudge Bar is designed to suit each individual model; therefore you can be assured of an aesthetically pleasing, functional and reliable design. The 76mm Nudge Bar comes complete with spotlight mounting provisions, together with a choice of polished or powder coated alloy finishes.

Great sports styling, bumper and grille protection are just a few of the features of these modern and functional 63mm Series 2 Nudge Bars. Formed from high tensile alloy tubing with a lower centre tube for maximum radiator protection, these Nudge Bars have equal or better strength than poor quality, thinner sectioned, imported stainless steel products and are up to 50% lighter in weight. Spotlight mounting provisions together with a choice of finishes are standard inclusions.

You can depend on the rugged, no compromise reliability of the ECB Big Tube Bar. This BTB is manufactured from high tensile, structural grade alloys and features fully gusseted headlight tubes. The tapered one-piece bumper incorporates a full width, braced Lower Protection Skirt while the specifically designed steel mounting system ensures a neat and sturdy fitment. Indicator/Park Light Combinations, Air Directional Cooling Vents, Driving Light mounting points and an Aerial Bracket are all standard features. To complete a great looking performance product, why not choose from ECB's range of superior, low maintenance powder coated finishes? *A durable alternative to polishing.*
