

# Mazda Tribute

## "LEGENDARY"

**Automotive Protection Equipment and Accessories**  
Having a Mazda Tribute 4WD you can really appreciate the life style opportunities that this vehicle presents. That's why when it comes to protecting your Tribute it's worth remembering that quality really counts.

Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

From the sporty 76mm Nudge Bars through to the strength and reliability of an ECB Type 8 Bar, you're sure to find a frontal protection bar that is styled to perfectly complement the vehicles' lines and tough enough to withstand almost anything the urban jungle or nature can dish out.

A night on the town, a trip to the gym, cruising the open road or engaging in a little recreational rough stuff, wherever your Tribute takes you, ECB has a protection bar to suit your needs.

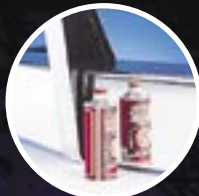

Not only does every ECB protection bar meet Australian design rules, each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

When style, strength and quality are what you are looking for, Insist on genuine ECB Products

**Built to Perform - Guaranteed to Last!**  
**When you compare ECB there really is a difference**

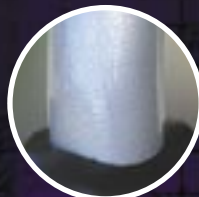

### Product Finish Options

Mirror Polish

Silver Hammertone

Silver Ripple

Black Ripple

#### TYPE 8 - Silver Ripple

For the ultimate protection of your Tribute the Type 8 Bar is what you need. Manufactured from high tensile alloy, the Type 8 Bar offers full frontal protection for your bumper, grille and headlights. The mounting systems for the Type 8 Bar and all of the frontal protection bars for the Tribute have built in recovery points. Driving light mounting provisions together with a choice of finishes are standard inclusions to complete a great looking performance product.

#### 63MM SERIES 2 NUDGE BAR

A stylish 63mm Series 2 Nudge Bar provides great sports styling together with the height advantage to offer bumper and grille protection. Formed from high tensile alloy tubing, the 63mm Series 2 Nudge Bar comes complete with spotlight mounting provisions together with a choice of finishes.

#### 76MM NUDGE BAR

The sporty 76mm Nudge Bar is not only an ideal mounting point for auxiliary lighting, it also provides protection for those around town bumps that are often caused by other motorists. Choose from a range of finishes.

#### STEPBOARDS

An attractive and practical side step manufactured from anodised alloy with a non slip surface and moulded end caps to match your vehicle.
