

Mitsubishi Triton

"LEGENDARY"

Automotive Protection Equipment and Accessories

Whether you're battling the bitumen or the bush, ECB has a range of quality Protection equipment for your Triton that is sure to suit your needs.

When it comes to protecting your Triton, it's worth remembering that quality really counts.

Genuine ECB protection bars add value and flair to your Triton. They're styled to perfectly complement the Triton's lines, and like the Triton, they're tough enough to withstand anything the urban jungle or nature can dish out.

From the unmatched strength, and rugged reliability of an ECB Big Tube Bar, through to the addition of a sporty 76mm Nudge Bar, ECB has a complete range of frontal protection bars and accessories to suit your requirements.

When style, strength and quality are what you are looking for, Insist on genuine ECB products,

Built to Perform - Guaranteed to Last!

When you compare ECB there really is a difference

BIG TUBE BAR

The discerning Triton owner will find it hard to go past the unmatched strength, quality and style of the ECB Big Tube Bar. This very versatile, no compromise design, is fully featured to suit almost any driving conditions. Air directional cooling vents, driving light mounting points and an aerial bracket are standard features.

BIG TUBE WINCH BAR with winch integration.
This Big Tube Bar has been specifically designed to accommodate the installation of Low Mount Winches.

ADVENTURE TUBE BAR (MK 1996 - 2001 Models only)
With its refined styling and unique design, the Adventure Tube Bar adds style and protection from both the unexpected hazards of city and country driving, and from a little recreational rough stuff.

SERIES 3 STEP/PROTECTORS

Tubular lines, easy access and great protection are what you can expect from ECB's rugged 63mm tubular Side Step Protectors.

STEPBOARDS

An attractive, practical side step, manufactured from anodised alloy with a non slip surface, and moulded end caps to match your vehicle.

TYPE 8 BAR

Fully contoured to compliment the Triton's modern styling, Type 8 Bar is a perfect choice for bumper, grille & headlight protection. Manufactured from high tensile alloy providing optimum frontal protection, with driving light brackets as standard inclusions.

63mm SERIES 2 NUDGE BAR

A stylish 63mm Series 2 Nudge bar provides great sports styling along with the height advantage to offer grille protection. Spotlight mounting provisions are standard inclusions.

76mm NUDGE BAR

The sporty 76mm nudge bar provides great bumper protection and is an ideal mounting point for auxiliary lighting.

76mm SPORTS BAR

Whether you use your Triton for work or play, the fitment of an ECB 76mm Sports bar will give your Triton a dynamic look. You can also create your own versatile carrying system with ECB's many carry bar options.

STAINLESS STEEL REAR STEP TOWBAR BUMPER

A practical and stylish rear step with a non slip tread surface for safe vehicle accessibility - Incorporating a 1500 kg rated towbar.
