Automotive Protection Equipment and Accessories

Whether you're battling the bitumen or the bush ECB has a range of quality protection equipment for your Navara that is sure to suit your needs.

When it comes to protecting your Navara, it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

From the sporty 76mm Nudge Bars through to the unmatched strength and reliability of an ECB Big Tube Bar, ECB has a complete range of frontal protection bars and accessories that are styled to perfectly complement the Navara's lines, and like the Navara, they're tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian design rules, each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

No matter what your requirements are, you can be assured that the distinctive individual style and true performance of ECB products are the perfect choice for any discerning Navara owner.

When style, strength and quality are what you are looking for, insist on genuine ECB products.

**63MM SERIES 2
NUDGE BAR - D22
(10/01 On)**

Great sports styling, bumper and grille protection are just a few of the features of the modern and functional 63mm Series 2 Nudge Bar. Formed from high tensile alloy tubing, with a lower centre tube for maximum radiator protection, these Nudge Bars have equal or better strength than poor quality, thinner sectioned, imported stainless steel products and are up to 50% lighter in weight. Spotlight mounting provisions together with a choice of finishes are standard inclusions.

TYPE 8 - D22 (10/01 On)

The tubular construction of the Type 8 Bar contours perfectly to suit the Navara's aerodynamic styling. Manufactured from high tensile alloys, the Type 8 Bar will accommodate driving lights and provides optimum frontal protection for the bumper, grille and headlights.

For a superior low maintenance finish where bugs wash off easily, why not choose from ECB's range of superior, low maintenance powder coated finishes? *A durable alternative to polishing.*
