

"LEGENDARY"

Automotive Protection Equipment and Accessories

Whether you're battling the bitumen or the bush ECB has a range of quality protection equipment for your Nissan Pathfinder or X-Trail that is sure to suit your needs.

When it comes to protecting your Nissan it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

From the sporty 76mm Nudge Bars through to the unmatched strength and reliability of an ECB Big Tube Bar, ECB has a complete range of frontal protection bars and accessories that are styled to perfectly complement the Pathfinder & X-Trail lines, and like the Pathfinder & X-Trail, they're tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian design rules, each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

What ever your requirements are, you can rely on ECB products for a distinctive individual style, true performance and great value for money.

When style, strength and quality are what you are looking for, insist on genuine ECB products.

Built to Perform - Guaranteed to Last!

NISSAN PATHFINDER & X-TRAIL

When you're looking for the ultimate in vehicle protection, you can depend on the rugged, no compromise reliability of the ECB Big Tube Bar. These BTB's are manufactured from high tensile, structural grade alloys and feature fully gusseted headlight tubes. The tapered one - piece bumper incorporates a full width, braced Lower Protection Skirt while the specifically designed steel mounting system ensures a neat and sturdy fitment. Indicator/Park Light Combinations, Air Directional Cooling Vents, Driving Light Mounting Points and an Aerial Bracket are all standard features. To complete a great looking performance product, why not choose from ECB's range of superior, low maintenance powder coated finishes? *A durable cost saving alternative to polishing.*

PATHFINDER (R51 7/05 On) BIG TUBE BAR With ECB Bumper Lights - This new dimensional BTB wraps around in front of the existing front bumper bar, ensuring a neat fit and appealing design

PATHFINDER (R50 2/99 - 6/05) BIG TUBE BAR Silver Ripple Powder Coated Alloy

PATHFINDER (R51 7/05 On) - XTREME BAR

The all-new Xtreme Bar offers the ultimate in life style opportunities giving you the freedom for all kinds of adventures. Whilst retaining the features and benefits that ECB is renowned for, this new dimension of style and design provides a high level of vehicle protection in a modern, distinctive Protection Bar. The Xtreme Bar comes complete with ECB Bumper Lights and wraps around in front of the existing front bumper bar ensuring a neat fit and appealing design. Choose from a range of finishes.

PATHFINDER (R50 2/99 - 6/05) 76MM NUDGE BAR

PATHFINDER (R51 7/05 On) 76MM NUDGE BAR

X-TRAIL 76MM NUDGE BAR Silver Hammertone Powder Coated Alloy

Impact protection is just one of the benefits of these eye-catching Nudge Bars. Designed and manufactured in Australia to suit our harsh Australian conditions, these 76mm x 4.7mm Nudge Bars are formed from high tensile alloy tubing and will never corrode or rust. They also have equal or better strength than poor quality, thinner sectioned, imported stainless steel products and are up to 50% lighter in weight. Each ECB Nudge Bar is designed to suit each individual model; therefore you can be assured of an aesthetically pleasing, functional and reliable design. The 76mm Nudge Bars come complete with spotlight mounting provisions, together with a choice of polished or powder coated alloy finishes.

PATHFINDER (R51 7/05 On) 63MM SERIES 2 NUDGE BAR With Lower Centre Tube to protect the underside of the vehicle.

X-TRAIL 63MM SERIES 2 NUDGE BAR With Lower Centre Tube to protect the underside of the vehicle.

Great sports styling, bumper and grille protection are just a few of the features of these modern and functional 63mm Series 2 Nudge Bars. Formed from high tensile alloy tubing, these Nudge Bars have equal or better strength than poor quality, thinner sectioned, imported stainless steel products and are up to 50% lighter in weight. Spotlight mounting provisions together with a choice of finishes are standard inclusions.

X-TRAIL TYPE 8 BAR - Silver Hammertone Powder Coated Alloy

The tubular construction of the Type 8 Bar contours perfectly to suit the X-Trail's aerodynamic styling. Manufactured from high tensile alloys with a 63mm centre tube, the Type 8 Bar provides optimum frontal protection for the bumper, grille and headlights and fits sturdily with a steel mounting system. Driving light mounting provisions are standard inclusions and for a superior low maintenance finish where bugs wash off easily, why not choose from ECB's range of superior, low maintenance powder coated finishes? *A durable cost saving alternative to polishing.*
