Automotive Protection Equipment and Accessories

Whether you're battling the bitumen or the bush ECB has a range of quality protection equipment for your Ssangyong that is sure to suit your needs.

Wherever you're bold enough to go, you need quality protection equipment that is built tough enough to bring you safely back home. That's why when it comes to protecting your Ssangyong and your family it's worth remembering that quality really counts.

ECB has a complete range of frontal protection bars and accessories that are styled to perfectly complement the Ssangyong's lines and like the Musso and Rexton, they're tough enough to withstand almost anything the urban jungle or nature can dish out.

From the sporty 76mm Nudge Bars through to the unmatched strength and reliability of an ECB Big Tube Bar, you can rely on ECB products for a distinctive individual style, true performance and great value for money.

Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

Not only do ECB protection bars meet Australian design rules each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

When style, strength and quality are what you are looking for, Insist on genuine ECB products,

Built to Perform - Guaranteed to Last!

BIG TUBE BAR**

REXTON BIG TUBE BAR
Fits over existing bumper and includes
Integrated Bumper Lights and 63mm Headlight Tubes

REXTON 76MM NUDGE BAR

Impact protection from those unexpected around town bumps is just one of the benefits of this eye-catching Nudge Bar. Designed and manufactured in Australia to suit our harsh Australian conditions, this 76mm x 4.7mm Nudge Bar is formed from high tensile alloy tubing and will never corrode or rust. It also has equal or better strength than poor quality, thinner, imported stainless steel products and is up to 50% lighter in weight. Each ECB Nudge Bar is designed to suit each individual model; therefore you can be assured of an aesthetically pleasing, functional and reliable design. The 76mm Nudge Bar comes complete with spotlight mounting provisions, together with a choice of polished or powder coated alloy finishes.

Great sports styling, bumper and grille protection are just a few of the features of this modern and functional

63mm Series 2 Nudge Bar. Formed from high tensile alloy tubing, with a lower centre tube for maximum radiator protection, these Nudge Bars have equal or better strength than poor quality, thinner, imported stainless steel products and are up to 50% lighter in weight. Spotlight mounting provisions together with a choice of finishes are standard inclusions.

63MM SERIES 2 NUDGE BAR**

REXTON TYPE 8

The tubular construction of the Type 8 Bar contours perfectly to suit the Rexton's aerodynamic styling. Manufactured from high tensile alloys, the Type 8 Bar provides optimum frontal protection for your bumper, grille and headlights. The Type 8 Bar accommodates driving lights and is available in a choice of finishes.
