

Suzuki Vitara & Jimny

"LEGENDARY"

Automotive Protection Equipment and Accessories

Having a Suzuki 4WD, you can really appreciate the life style opportunities that these vehicles present. That's why when it comes to protecting your Vitara or Jimny it's worth remembering that quality really counts.

A night on the town, a trip to the gym, cruising the open road or engaging in a little recreational rough stuff, wherever your Suzuki takes you, ECB has a range of quality protection equipment to suit your needs.

Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

From the sporty 76mm Nudge Bars through to the strength and reliability of an ECB Big Tube Bar, you're sure to find a frontal protection bar that is styled to perfectly complement the vehicles' lines and tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only does every ECB protection bar meet Australian design rules each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

When style, strength and quality are what you are looking for, Insist on genuine ECB products,

Built to Perform - Guaranteed to Last!

When you compare ECB there really is a difference
