Automotive Protection Equipment and Accessories

Having a versatile Suzuki you can really appreciate the life style opportunities that these vehicles present. A night on the town, a trip to the gym, cruising the open road or engaging in a little recreational rough stuff, wherever your Suzuki takes you, ECB has the right accessory to add style and sports appeal combined with safety and protection.

When it comes to protecting your Suzuki it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

Whether it's the 76mm Nudge Bar or the strength and reliability of an ECB Big Tube Bar, you're sure to find a frontal protection bar that is styled to perfectly complement the vehicles' lines and tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian design rules, each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

What ever your requirements are, you can rely on ECB products for a distinctive individual style, true performance and great value for money.

When style, strength and quality are what you are looking for insist on genuine ECB products.
