

TOYOTA CAMRY & AURION

"LEGENDARY"

Automotive Protection Equipment and Accessories

Whether you're negotiating the hustle and bustle of the city or cruising the open road, ECB has the right accessory to add style and sports appeal combined with safety and protection.

When it comes to protecting your vehicle it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

From the sporty 76mm Nudge Bars through to the strength and reliability of an ECB Type 8 Bar, you're sure to find a frontal protection bar that is styled to perfectly complement the vehicles lines and tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian Design Rules, each one is also covered by ECB's Exclusive Lifetime Warranty for complete peace of mind.

What ever your requirements are, you can rely on ECB products for a distinctive individual style, true performance and great value for money.

When style, strength and quality are what you are looking for, insist on genuine ECB products. Built to perform, Guaranteed to last.

When you compare ECB there really is a difference

Silver Ripple Powdercoated Alloy

TYPE 8 BAR
Toyota Camry 10/06 On
Silver Hammer tone Powdercoated Alloy

The unique tubular design and construction of the ECB Type 8 Bar contours perfectly to suit the Aurion and Camry's aerodynamic styling. Whether you need protection from around town nudges and bumps, or from animal strikes when cruising the open road, you need to protect your vehicle and your loved ones inside. The stylish, flared design follows the lines of the Aurion and Camry's styling whilst remaining within the narrow lower opening and without sacrificing ride height. Manufactured from high tensile alloys with a 63mm centre tube, the Type 8 Bar provides optimum frontal protection for the bumper, grille and headlights and fits sturdily with a steel mounting system. Driving light mounting provisions are standard inclusions and for a superior low maintenance finish where bugs wash off easily, ECB offers a range of powder coated finishes. A durable cost saving alternative to polishing.

TYPE 8 BAR
Toyota Camry 09/02-09/06

63MM NUDGE BAR
Toyota Camry 09/02-09/06

Impact protection is just one of the benefits of these eye-catching Nudge Bars. Designed and manufactured in Australia to suit our harsh Australian conditions, these Nudge Bars are formed from high tensile alloy tubing and will never corrode or rust. Each ECB Nudge Bar is designed to suit each individual model; therefore you can be assured of an aesthetically pleasing, functional and reliable design. These Nudge Bars come complete with spotlight mounting provisions, together with a choice of polished or powder coated alloy finishes.
