70/75/78/79 SERIES - BIG TUBE BAR

The astute Landcruiser owner will find it hard to go past the unmatched strength, quality and style of the ECB Big Tube Bar. Engineered to optionally accommodate the installation of low mount winches, this no compromise design is fully featured to suit almost any driving conditions. Manufactured using high tensile alloys, this Big Tube Bar incorporates 63mm headlight tubes on the 70 Series models and 47mm headlight tubes on the 80 Series models. Driving light mounting points and an aerial bracket are both standard features. To complete a great looking performance product, why not choose from ECB's range of superior, low maintenance powder coated finishes? Bugs wash straight off! A durable alternative to polishing.
