SERIES 2 FLASH BAR

The Series 2 Flash Bar is a dynamic concept in modern protection bar design and function. Offering all the features of a robust no compromise ECB protection bar, with a bold yet subtle integrated look. Full edge trimming, upper and lower injection moulded cooling vents, full evolution 2000 winch integration option and outstanding visual appeal, set this exciting protection bar apart.

BIG TUBE BAR

The astute Landcruiser Prado owner, will find it hard to go past the unmatched strength, quality and style of the ECB Big Tube Bar. Engineered to accommodate the installation of low mount winches, this very versatile, no compromise design, is fully featured to suit almost any driving conditions. Original fog light fitment with automotive grade trimming, air directional cooling vents, driving light mounting points and an aerial bracket are all standard features.

TYPE 8

The Type 8 bar offers full frontal protection for your bumper, grille and headlights without removing your Prado's original bumper.

ADVENTURE TUBE

With its refined styling and unique design, the Adventure Tube Bar adds style and protection from both the unexpected hazards of city and country driving, or from a little recreational rough stuff.

SERIES 3 STEP/PROTECTORS

Tubular lines, easy access and great protection are what you can expect from ECB's rugged chassis mounted 63mm tubular side step protectors.

63MM SERIES 2 NUDGE BAR

The 63mm Series 2 Nudge Bar provides great sports styling along with the height advantage to offer grille protection.

SERIES 2 ROOF RACK - Silver Hammertone

A Series 2 Roof Rack is the answer, when safe and reliable extra load carrying is required. This all Alloy, strong lightweight design, is supplied in a 1.8m length together with robust stainless steel mounting clamps and fitting hardware.

76MM NUDGE BAR

The sporty 76mm nudge bar provides great bumper protection and is an ideal mounting point for auxiliary lighting.
