

Volkswagen Amarok

(2010 on)

WORLD'S BEST ALLOY BULLBARS

Whether you're battling the bitumen or the bush ECB has a range of quality protection products for your Volkswagen Amarok that best suit your needs.

When it comes to protecting your Volkswagen Amarok, it's worth remembering that quality really counts. Genuine ECB products are manufactured from hi-tensile, structural grades of alloy, ensuring maximum performance, strength and protection.

From the sporty 76mm Nudge Bar through to the unmatched strength and reliability of an ECB Arc™ Bar, ECB has a range of frontal protection bars that are styled to perfectly complement the Volkswagen Amarok's lines, and like the Volkswagen Amarok, they're tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian Design Rules - each one is also covered by ECB's exclusive Lifetime Warranty for complete peace of mind.

East Coast Bullbars are the Strongest Built, Best Engineered and Australian Made, all components that are required to be the World's Best Alloy Bullbars.

- 76mm Centre & 63mm Shoulder Tubes
- Fully Welded Gussets
- ECB Bumper Lights
- LED Indicator/Park Lights

ECB Arc™ Bar - ADR Compliant - With ECB Bumper Lights

Mirror Polished Alloy Finish Shown

For the ultimate in frontal protection, you can't go past the strength, quality and style of the ECB Arc™ Bar with ECB Bumper Lights for the latest Volkswagen Amarok. Manufactured from hi-tensile, structural grade alloy this bar is attached to the chassis of the Amarok using a steel mounting system. The hi-tensile, tapered, one-piece bumper cut design incorporates indicator/park light combinations, air directional cooling vents and ECB bumper lights to replace your factory fog lights. Driving light mounting points and an aerial bracket are all standard inclusions on this bar.

- Provides Headlight Protection
- Aerial Mounting Tab
- 63mm x 4.75mm Centre Tube
- 44mm x 3.25mm Shoulder Tubes

Type 8 Bar - ADR Compliant

Mirror Polished Alloy Finish Shown

The tubular construction of the Type 8 Bar contours perfectly to suit the Volkswagen Amarok's aerodynamic styling. Manufactured from hi-tensile alloy with a 63mm centre tube, the Type 8 Bar provides optimum frontal protection for the bumper, grille and headlights and fits sturdily with a steel mounting system. Driving light mounting provisions are standard inclusions and for a superior low maintenance finish where bugs wash off easily, why not choose from ECB's range of superior, low maintenance powder coated finishes? A durable cost saving alternative to polishing.

63mm Series 2 Nudge Bar

Mirror Polished Alloy Finish Shown

- Bumper Protection
- Grille Protection
- Spotlight Mounting Tabs
- 63mm Hi-Tensile Alloy Tubing
- 4.2mm Thick Extruded Tube
- Mandrel Bending Tube Process

Great sports styling, bumper and grille protection are just a few of the features of this modern and functional 63mm Series 2 Nudge Bar. Formed from hi-tensile alloy tubing with a lower centre tube for maximum radiator protection, this Nudge Bar has equal or better strength than poor quality, thinner sectioned, imported stainless steel products and is up to 50% lighter in weight. Spotlight mounting provisions together with a choice of finishes are all standard inclusions.

- Bumper Protection
- Spotlight Mounting Tabs
- 76mm Hi-Tensile Alloy Tubing
- 4.75mm Thick Extruded Tube
- Mandrel Bending Tube Process

Impact protection is just one of the benefits of this eye-catching 76mm Nudge Bar. Each ECB nudge bar is designed to suit each individual model; therefore you can be assured of an aesthetically pleasing, functional and reliable design. Designed and manufactured in Australia to suit our harsh Australian conditions, this nudge bar is formed from hi-tensile alloy tubing and will never corrode or rust. This nudge bar comes complete with spotlight mounting tabs and the ECB Lifetime Guarantee.
