

Ford F250/E350

"LEGENDARY"

Automotive Protection Equipment and Accessories

When you choose a Ford F Series Truck, you're a person that demands quality and reliability together with un-matched strength and performance.

Whether your Ford is used as a tough work horse, or for a little recreational rough stuff, it is only natural for you to demand the best to match your vehicle.

From the sporty 76mm Nudge Bars through to the unmatched strength and reliability of an ECB Big Tube Bar, ECB has a complete range of Protection bars and accessories to suit your requirements.

Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

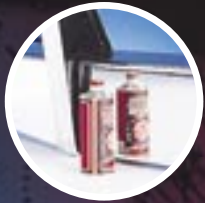

Not only does every ECB protection bar meet Australian Design Rules, each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind. When style, strength and quality are what you are looking for Insist on genuine ECB products,

Built to Perform - Guaranteed to Last!

F250 - F350 SUPER DUTY - BIG TUBE BAR

The "no compromise" reliability of the F250-F350 Big Tube Bar is tough enough to withstand almost anything Australia's harsh driving conditions can dish out. The use of high tensile strength alloys together with a fully formed and gusseted 6mm lower protection skirt are just a few of the features that set this popular Big Tube Bar apart. Trimmed tow point access, five air directional cooling vents, auxiliary light mounting provisions and aerial bracket complete a product that is clearly unmatched in style, strength and durability. A choice of finishes is available.

F250 BIG TUBE BAR - Silver Ripple with Winch Integration

For the ultimate in frontal protection, you will find it hard to go past the unmatched strength, quality and style of the ECB Big Tube Bar. Engineered to accommodate up to 1500lb low mount winches, this versatile no compromise design is fully featured to suit almost any driving conditions. Trimmed tow point access, air directional cooling vents, driving light mounting points and an aerial bracket are all standard features of this versatile protection bar. Choose from a range of finishes.

F250 - F350 76MM NUDGE BAR

Take the crunch out of the bump with a stylish 76mm Nudge Bar. Fitting neatly over the existing bumper providing protection from those unexpected around town bumps. The ECB 76mm Nudge Bar is an ideal mounting point for auxiliary lighting.

F250 - F350 76MM SERIES 2 NUDGE BAR

A stylish 76mm Series 2 Nudge Bar provides great sports styling together with the height advantage to offer grille protection. Formed from high tensile alloy tubing, this Nudge Bar is styled to please. Spotlight mounting provisions are standard inclusions together with a choice of finishes.

LADDER RACKS/SPORTS BARS

You can create your own carrying system with these practical lightweight alloy Ladder Racks & Sports Bars.

Available in a choice of 76mm or 101mm diameter alloy tubing, these versatile Ladder Racks are a useful addition to the F Series Trucks. Available in a "slip in slip out", or a "fixed to body/tray", configuration.

Sports Bars are also available.
