

FORD RANGER

"LEGENDARY"

Automotive Protection Equipment and Accessories

Whether you're battling the bitumen or the bush ECB has a range of quality protection equipment for your Ford Ranger that is sure to suit your needs.

When it comes to protecting your vehicle, it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

From the sporty 76mm Nudge Bars through to the unmatched strength and reliability of an ECB Big Tube Bar, ECB has a complete range of frontal protection bars and accessories that are styled to perfectly complement the Ranger's lines, and like the Ranger, they're tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian design rules, each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

What ever your requirements are, you can rely on ECB products for a distinctive individual style, true performance and great value for money.

When style, strength and quality are what you are looking for, Insist on genuine ECB products.

When you compare ECB there really is a difference

TYPE 8 BAR

The tubular construction of the Type 8 Bar contours perfectly to suit the Ranger's aerodynamic styling. Manufactured from high tensile alloys with a 63mm centre tube, the Type 8 Bar provides optimum frontal protection for the bumper, grille, headlights and the delicate intercooler while a steel mounting system ensures a strong fitment. Driving light mounting provisions are standard inclusions and for a superior low maintenance finish where bugs wash off easily, why not choose from ECB's range of superior, low maintenance powder coated finishes?

63mm SERIES 2 NUDGE BAR

This very stylish 63mm Series 2 Nudge Bar is great for those around town nudges and bumps which can be costly to the bumper and also the cooling equipment just inside. A large opening and a spotlight mounting tabs make an ideal location for extra lighting. Utilising solid steel mounts and available in Mirror Polished or Powdercoated Alloy, this protection system is very functional while being stylish and attractive.

76mm NUDGE BAR

The Sporty 76mm Nudge Bar is not just ideal impact protection, it incorporates spotlight mounting tabs for extra lighting and adds a sporty style to the front of your vehicle.

This nudge bar is made from 76mm x 4.7mm Structural Grade Alloy, ensuring strength and will never rust compared to much thinner sectioned stainless steel products which do not offer the strength, protection nor durability of a genuine ECB product.
