"LEGENDARY"

Automotive Protection Equipment and Accessories

Now that you have chosen one of Ford's popular Australian workhorses you need to consider frontal protection for your new business asset. When it comes to protecting your vehicle it's worth remembering that quality really counts. That's why genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

From the sporty 76mm Nudge Bars through to the strength and reliability of the ECB Big Tube Bar, you're sure to find a frontal protection bar that is styled to perfectly complement the vehicles' lines and tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only does every ECB protection bar meet Australian design rules, each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

When style, strength and quality are what you are looking for, Insist on genuine ECB products,

Built to Perform - Guaranteed to Last!

When you compare **ECB** there really is a difference

TRANSIT VAN 8/00on - BIG TUBE BAR
Silver Ripple

The Ford Transit Big Tube Bar has been designed to deliver the ultimate in safety, protection and style. The high tensile, one piece bumper section incorporates a full width lower skirt for maximum protection. The Big Tube Bar incorporates integrated air directional cooling vents, indicator park light combinations and driving light mounting provisions. A choice of finishes completes a great looking performance product.

TRANSIT VAN 8/00on - TYPE 8 BAR
Silver Hammertone

Whilst retaining the Transit's original bumper bar, the Type 8 is a perfect choice for full frontal protection. Fully contoured to complement the Transits contoured styling, the Type 8 Bar is manufactured from high tensile alloy providing optimum frontal protection in a loop style of protection bar. Driving light brackets are standard inclusions, together with a choice of finishes.

TRANSIT VAN 8/00on - 76mm NUDGE BAR
The sporty 76mm Nudge Bar provides protection from those around town bumps that are often caused by other motorists. Standard with spotlight mounting provisions, this product is a practical addition to your vehicle and is available in a variety of finishes. 76mm Nudge Bar is also available for 97-7/00 models.

TRANSIT VAN 8/000n - 63mm SERIES 2 NUDGE BAR
Silver Hammertone

These modern and functional 63mm Series 2 Nudge Bars provide great sports styling and have the height advantage to offer bumper and grille protection. Formed from high tensile alloy tubing, the 63mm Series 2 Nudge Bars come complete with spotlight mounting provisions together with a choice of finishes.

ECONO & MAXIVAN 11/99on TYPE 8
Silver Hammertone

This popular Econo workhorse deserves the complete frontal protection provided by the popular and practical Type 8 bar. Manufactured using high tensile alloy, the Type 8 Bar provides optimum frontal protection in a tubular design of protection bar. The Type 8 Bar easily accommodates driving lights and is available in a choice of powder coat finishes.

ECONO & MAXIVAN 11/99on 63mm SERIES 2 NUDGE BAR - *Silver Ripple*

The added height of the sporty 63mm Series 2 Nudge bar provides great bumper and grille protection whilst providing an ideal mounting point for auxiliary lighting. Available in a variety of finishes.
