

WORLD'S BEST ALLOY BULLBARS

Whether you're battling the bitumen or the bush ECB has a range of quality protection products for your Hyundai Santa Fe that are sure to suit your needs.

When it comes to protecting your Hyundai Santa Fe, it's worth remembering that only the best will do. Genuine ECB products are manufactured from hi-tensile, structural grades of aluminium, ensuring maximum performance, strength and protection.

From the sporty 76mm Nudge Bar through to the full frontal protection of a Type 8 Bar, ECB has a range of frontal protection bars that are styled to perfectly compliment the Hyundai Santa Fe's lines, and like the Hyundai Santa Fe, they're tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian Design Rules - each one is also covered by ECB's exclusive Lifetime Warranty for complete peace of mind.

East Coast Bullbars are the Strongest Built, Best Engineered and Australian Made, all components that are required to be the World's Best Alloy Bullbars.
