## "LEGENDARY"

Automotive Protection Equipment and Accessories

Having a versatile Terracan you can really appreciate the life style opportunities that this vehicle presents. A night on the town, a trip to the gym, cruising the open road or engaging in a little recreational rough stuff, wherever your Terracan takes you, ECB has the right accessory to add style and sports appeal combined with safety and protection.

When it comes to protecting your Terracan it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

Whether it's the sporty 76mm Nudge Bar or the strength and reliability of an ECB Big Tube Bar, you're sure to find a frontal protection bar that is styled to perfectly complement the vehicles' lines and tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian design rules, each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

What ever your requirements are, you can rely on ECB products for a distinctive individual style, true performance and great value for money.

When style, strength and quality are what you are looking for, insist on genuine ECB products.

BIG TUBE BAR

When you're looking for the ultimate in vehicle protection, you can depend on the rugged, no compromise reliability of the ECB Big Tube Bar. This new dimensional BTB wraps around in front of the existing front bumper bar, ensuring a neat fit and appealing design. This BTB is manufactured from high tensile, structural grade alloys and features fully gusseted 63mm headlight tubes. The tapered one - piece bumper incorporates a full width, braced Lower Protection Skirt while the specifically designed steel mounting system ensures a neat and sturdy fitment. ECB Fog Light fitment, Indicator/Park Light Combinations, Air Directional Cooling Vents and Driving Light mounting points are all standard features. To complete a great looking performance product, why not choose from ECB's range of superior, low maintenance powder coated finishes? *A durable cost saving alternative to polishing.*

The tubular construction of the Type 8 Bar contours perfectly to suit the Terracan's aerodynamic styling. Manufactured from high tensile alloys, the Type 8 Bar provides optimum frontal protection for the bumper, grille and headlights and fits sturdily with a steel mounting system. Driving light mounting provisions are standard inclusions. For a superior low maintenance finish where bugs wash off easily, why not choose from ECB's range of superior, low maintenance powder coated finishes? *A durable cost saving alternative to polishing.*
