MIDI TUBE BAR

ECB's Midi Tube Bar is an aerodynamic combination that protects the fog lights, bumper and grille in the event of an animal strike. Weighing in at an average of 16kgs, the Midi Tube Bar is designed to protect the vulnerable parts of your vehicle while adding minimal weight.

Bars features:

- Hi-tensile alloy tubing will never corrode or rust
- 63mm x 4.75mm thick tube
- Spotlight mounting tabs for lights up to 1.75kg

76MM NUDGE BAR

Impact protection is just one of the benefits of this eye-catching 76mm Nudge Bar. Sporty and sleek design and manufactured in Australia to suit our harsh Australian conditions. Available in our mirror polished alloy, or choice of powder coat options.

Bars features:

- Hi-tensile alloy tubing will never corrode or rust
- 76mm x 4.75mm thick tube
- Spotlight mounting tabs
- Accommodates front parking sensors

SIDE STEPS

This set of ECB side steps have been specifically designed to suit the Iveco Daily E6 50C. Made in Australia each Alloy Side Step is designed as a single piece with a 5-check diamond plate slip-resistant surface. The functional design will add to the look and functionality of your vehicle whilst adding minimal weight.

Features:

- Hi-tensile alloy tubing
- Slip-resistant 5-check diamond plate
- 63mm x 4.2mm thick tube
- Each step is a 1-piece design
- Integrated Mounts
- Fully Welded construction
- Fuel tank protection
- Lifetime Warranty

FINISH OPTIONS

ECB products are finished with the same high standards and exacting methods that are employed in our manufacturing and design processes. When you choose the best products available, you can be sure that they will present as well as they perform.

In addition to ECB's signature polished alloy finish, other finish choices include our virtually maintenance free 4 powder coat options.
