

MITSUBISHI OUTLANDER

"LEGENDARY"

Automotive Protection Equipment and Accessories

Having a versatile Mitsubishi Outlander you can really appreciate the life style opportunities that these vehicles present. A night on the town, a trip to the gym, cruising the open road or engaging in a little recreational rough stuff, wherever your Mitsubishi takes you, ECB has the right accessory to add style and sports appeal combined with safety and protection.

When it comes to protecting your Mitsubishi it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

Whether it's the sporty 63mm and 76mm Nudge Bar or the full frontal protection of the Type 8 Bar, you're sure to find a frontal protection product that is styled to perfectly complement the vehicles' lines and tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian design rules, each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

Type 8 Bar

Ensure your vehicle and it's passengers are protected in any environment or situation, install the best in Outlander frontal protection, the ECB Type 8 Bar specifically engineered for the Mitsubishi Outlander. Manufactured from high tensile, structural grade alloys the Type 8 offers incredible strength and full frontal protection, while keeping weight to an absolute minimum. This Type 8 bar has been specifically engineered for the Mitsubishi Outlander to ensure the bar fits tightly and perfectly complements the aggressive styling of the front-end. Standard inclusions of the Type 8 Bar include spotlight mounting provisions, the ECB lifetime warranty and your choice of powdercoated alloy or mirror polished alloy finishes. All ECB products are ADR compliant and air bag compatible.

63mm Series 2 Nudge Bar

A perfect combination of bumper and grille protection, mixed with sleek, sports styling. The ECB 63mm Series 2 Nudge Bar is a must have for any discerning owner looking to increase frontal protection without compromising style. Manufactured from high tensile, structural grade alloys, this superior quality alloy nudge bar offers superior strength at a much lower weight than steel nudge bars. Designed in Australia, for our harsh Australian conditions, it will never rust or corrode. Standard features of the 63mm Series 2 Nudge Bar include driving light mounting points and the ECB lifetime Guarantee, for total peace of mind.
