

SUBARU OUTBACK

"LEGENDARY"

Automotive Protection Equipment and Accessories

Having a versatile Subaru Outback you can really appreciate the life style opportunities that this vehicle presents. A night on the town, a trip to the gym, cruising the open road or engaging in a little recreational rough stuff, wherever your Outback takes you, ECB has the right accessory to add style and sports appeal combined with safety and protection.

When it comes to protecting your Outback it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength and protection.

Whether it's the sporty ECB Nudge Bar or the strength and reliability of an Type 8 Bar, you're sure to find a frontal protection bar that is styled to perfectly complement the vehicles' lines and tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian design rules, each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

When style, strength and quality are what you are looking for Insist on genuine ECB products.

Built to Perform - Guaranteed to Last!

Product Finish Options

Mirror Polish

Silver Hammertone

Silver Ripple

Black Ripple

The tubular construction of the Type 8 Bar contours perfectly to suit the Outback's aerodynamic styling. Manufactured from high tensile alloys, the Type 8 Bar will accommodate driving lights and provides optimum frontal protection for the bumper, grille and headlights. For a superior low maintenance finish where bugs wash off easily, why not choose from ECB's range of superior, low maintenance powder coated finishes?

A durable alternative to polishing.

OUTBACK (9/03 ON) TYPE 8

Powder Coated
Alloy

OUTBACK (10/98-8/03) TYPE 8
This TYPE 8 is also available
for 96-9/98 Models

Great sports styling, bumper and grille protection are just a few of the features of these modern and functional 63mm Series 2 Nudge Bars. Formed from high tensile alloy tubing, these Nudge Bars have equal or better strength than poor quality, thinner sectioned, imported stainless steel products and are up to 50% lighter in weight. Spotlight mounting provisions together with a choice of finishes are standard inclusions.

63MM SERIES 2 NUDGE BAR
Silver Hammertone Powder Coated Alloy

OUTBACK (9/03 ON)
63MM SERIES 2 NUDGE BAR

Impact protection is just one of the benefits of this eye-catching Nudge Bar. Designed and manufactured in Australia to suit our harsh Australian conditions, this 63mm Nudge Bar is formed from high tensile alloy tubing and will never corrode or rust. It also has equal or better strength than poor quality, thinner sectioned, imported stainless steel products and is up to 50% lighter in weight. Each ECB Nudge Bar is designed to suit each individual model; therefore you can be assured of an aesthetically pleasing, functional and reliable design. These 76mm Nudge Bars come complete with spotlight mounting provisions, together with a choice of polished or powder coated alloy finishes.
