The Midi Tube Bar is a modern combination of grille and bumper protection in a unique yet practical design. The use of high tensile 76mm and 63mm alloys enhances the Tarago's sports styling and provides optimum product performance. An extra centre tube provides protection to the under side of the vehicle, while a specifically designed steel mounting system ensures a neat and sturdy fitment. Driving light mounting provisions are standard inclusions. For a superior low maintenance finish where bugs wash off easily, choose from ECB's range of superior, low maintenance powder coated finishes. *A durable cost saving alternative to polishing.*
