Automotive Protection Equipment and Accessories

No matter whether you depend on your Hiace as a work horse or people mover, you really need to consider the right accessory. Whether you're looking for an accessory that adds style an sports appeal, safety and protection or both, ECB has the best possible selection.

When it comes to protecting your Hiace and its occupants, it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of aluminium ensuring maximum performance, strength, protection and durability.

Whether it's the sporty 63mm and 76mm Nudge Bar or the strength and reliability of an ECB Loop Bar, you're sure to find a frontal protection bar that is styled to perfectly complement the vehicles' lines and tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian design rules, each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

When style, strength and quality are what you are looking for Insist on genuine ECB products.
