"LEGENDARY"

Automotive Protection Equipment and Accessories

A hard-working and tough Mitsubishi Triton demands tough accessories, and ECB have the perfect products for the task. Whether your cruising the open road or engaging in some recreational rough stuff, wherever your Triton takes you, ECB has the right accessory to add style and sports appeal combined with safety and protection.

When it comes to protecting your vehicle it's worth remembering that quality really counts. Genuine ECB products are manufactured from high tensile, structural grades of alloy ensuring maximum performance, strength and protection.

From the sporty 76mm Nudge Bar up to the strength and reliability of a Big Tube Bar, you're sure to find a frontal protection bar that is styled to perfectly complement your Triton and is tough enough to withstand almost anything the urban jungle or nature can dish out.

Not only do ECB protection bars meet Australian Design Rules, each one is also covered by ECB's Exclusive Lifetime Warranty for complete peace of mind.

Whatever your requirements are, you can rely on ECB products for a distinctive individual style, true performance and great value for money.

When style, strength and quality are what you are looking for, insist on genuine ECB products.
