

Ford Explorer F150/F250

"LEGENDARY"

Automotive Protection Equipment and Accessories

When you choose a Ford F Series Truck or a Ford Explorer, you're a person that demands quality, reliability and un-matched strength and performance. You have chosen arguably one of the best all round 4WD's in the world.

Whether your Ford is used as a tough work horse, or for discovering the rainforests, the mountains or the sandy beaches, it is only natural that you should demand the best accessory to match your vehicle. From the unmatched strength of an ECB Big Tube Bar through to the addition of a sporty 76mm Nudge Bar, ECB has a complete range of Protection bars and accessories to suit your requirements.

Not only does every ECB protection bar meet Australian Design Rules, each one is also covered by ECB's exclusive lifetime warranty for complete peace of mind.

When style, strength and quality is what you're looking for, Insist on genuine ECB products,

Built to Perform - Guaranteed to Last!

When you compare ECB there really is a difference

F150 BIG TUBE BAR

The astute F Series owner, will find it hard to go past the unmatched strength, quality and style of the ECB Big Tube Bar. This very versatile, no compromise design, is fully featured to suit almost any driving conditions. Air directional cooling vents, driving light mounting points and an aerial bracket are standard features.

F150 BIG TUBE WINCH BAR - Silver Hammertone - With winch integration.

This Big Tube Bar has been specifically designed to accommodate the installation of Low Mount Winches.

F150 SERIES 3 STEP/PROTECTORS

Tubular lines, easy access and great protection are what you can expect from ECB's rugged 76mm tubular Side Step Protectors.

F150 76mm SPORTS BAR

Appealing to the ute enthusiast and tradesman alike, the ECB 76mm Sports Bars are a popular addition to the F150. You can also create your own versatile carrying system with ECB's many carry bar options.

F250 SUPER DUTY BIG TUBE BAR

The all new F250-F350 Super Duty Big Tube Bar holds the crown of the strongest 4WD product provided by ECB. Manufactured from High tensile strength alloy this product is clearly unmatched in style, strength and durability. Boasting a fully formed and gusseted 6mm lower protection skirt, trimmed tow point access, five air directional cooling vents and a distinctive attitude, all as standard features. The ECB Big Tube Bar is the ultimate in frontal protection.

F250 76mm NUDGE BAR

Take the crunch out of the bump with a stylish 76mm Nudge Bar. Fitting neatly over the existing bumper to provide great bumper and grille protection, the ECB Nudge Bar is an ideal mounting point for auxiliary lighting.

EXPLORER BIG TUBE BAR

With it's refined styling and unique design, the Explorer Big Tube Bar adds style and protection from both the unexpected hazards of city and country driving, or from a little recreational rough stuff. Boasting original fog light fitment with cover trims, driving light mounting points and an aerial bracket as standard features.

EXPLORER 76mm NUDGE BAR
