

AUSTRALIAN MADE ALLOY WINCH BAR TO SUIT FORD RANGER

LIFETIME WARRANTY • BUILT TO PERFORM • HI-TENSILE ALLOY

SINGLE HOOP WINCH BAR

Impact protection is just one of the benefits of this eye-catching single Hoop Winch Bar. The vehicle's front parking sensors and sonar are relocated into the Winch Bar channel so you can choose to keep the hoop affixed, or remove, and still retain full functionality of these important safety features. Functional in design and manufactured in Australia to suit our harsh Australian conditions. We're so confident about our alloy Winch Bars that we offer a lifetime warranty.

Shown with removable centre hoop.

Bar Features:

- ADR Compliant
- Airbag Compatible
- Steel winch mounting system
- 6mm alloy channel
- Hi-tensile, corrosion resistant, alloy tube
- accommodates up to an 10,500 Lb low mount winch
- Won't affect new vehicle warranty
- Removeable 76mm x 4.75mm thick centre tube
- Removable rated recovery points
- Adds 67 kg with centre hoop and rated recovery points
- Lifetime Warranty

FINISH OPTIONS

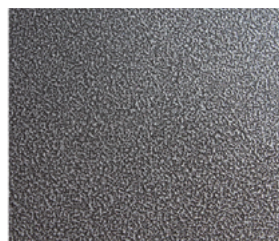

ECB products are finished with the same high standards and exacting methods that are employed in our manufacturing and design processes. When you choose the best products available, you can be sure that they will present as well as they perform.

In addition to ECB's signature polished Alloy finish, other finish choices include our three virtually maintenance free powder coat options.

- Textura Black
- Black Ripple
- Silver Hammertone
